

Declaration on RoHS 2 - Directive 2011/65 / EU

According to the current state of knowledge, the articles and materials offered in the shop do not contain any prohibited substances of the RoHS 2 Directive 2011/65 / EU above the limit specified in Appendix II of the directive.

We place high quality demands on our long-term suppliers.

Qualified and trustworthy sources of supply are very important to us with regard to the safety of our customers.

We constantly make sure that our suppliers meet all relevant requirements with regard to the highest product safety and also for the safety of our customers.

Metallbearbeitung Gerhard Maier is a so-called “downstream user”. The related duties and requirements* are known to us and are fully integrated into the business processes and thus adhered to.

* See information on the EUR-Lex website: Directive (EU) 2015/863 of March 31, 2015 amending Annex II of Directive 2011/65 / EU of the European Parliament and of the Council with regard to the list of substances that are subject to restrictions .
